

Accommodation for European Championship 2027

The preparations for the European Championship 2027 is in full swing. This document provides information about accommodations.

Helsingborg Arena is located close to the city center. It takes around 20 minutes to walk from Knutpunkten, the central station, or around 10 minutes by bus to the arena.

The Swedish Cheerleading Federation cooperates with partners in Helsingborg to provide all competing teams with the best possible price. The school accommodation alternatives is presented below.

These offers are intended for club organizations for booking on behalf of teams. Our priority is that as many teams as possible should be able to stay as affordably as possible.

School accomodation

Room types and price

Classrooms for 15-20 people. Total capacity is between 150-300 persons per accomodation.

25 euros per person/night.

Breakfast

Breakfast is included in the price for the school accomodations.

Breakfast is served at Olympia Sportsbar no matter the location of the accomodation.

Accomodation

You/your team will either stay in a school close to the arena or “Idrottens hus Helsingborg” next to the arena. Everyone is required to bring their own mattress or sleeping mat, sleeping bag and pillow.

The club(s) staying the school are responsible for keeping the surroundings clean and make sure everything is left in order when leaving the school as of the getting to know the security plan of the school. We will contact you closer to the event about the contact person from your organization under the school stay, and provide more information about the stay as the amount of rooms and safety and security instructions.

Booking
